---

## PROJECTS

**Pigeonhole:** *Music organization for music lovers allowing them to rate and organize their music preferences.*  
[Pigeonhole - Live Site](#) | [Mia/Pigeonhole - Github](#) **2019 - 2020**

- A responsive web app that connects to the Spotify API and allows users to rate and organize their favorite albums so they can remember what they love or hated about an album using a custom algorithm rating system.
- Tools used: HTML5, CSS3, Zurb Foundation CSS (v6), JavaScript, Heroku, Sequelize, Node.js

**Secure Password Generator** – *Generate secure random passwords based on user-selected criteria.*  
[Secure PW Generator - Live Site](#) | [Mia/Secure PW Generator - Github](#) **2019 - 2019**

- A responsive web app that prompts the user to choose a password between 8-128 characters. Preference options of Special, Numeric, Lowercase or Uppercase characters. The user may copy their new password to the clipboard quickly and effortlessly saving time and ensures secure access to data.
- Tools used: HTML5, CSS3, Bootstrap CSS (v4.3), JavaScript, jQuery, Popper JS

**BarTinder** – *Random cocktail suggestions, recipes & video tutorials.*  
[BarTinder - Live Site](#) | [Mia/BarTinder - Github](#) **2019 – 2019**

- A responsive web app that uses 3 separate third party REST API's. The app allows users browse through new cocktail suggestions by photo and recipe. Select the ones they like, watch a Youtube tutorial and enjoy.
- Tools used: HTML5, CSS3, Bulma CSS, JavaScript, jQuery, YouTube API and cocktailDB API.

**Weather Dashboard** – *A web app using the Openweather REST API to retrieve data and forecast for desired cities.*  
[Weather Dashboard - Live Site](#) | [Mia/Weather-Dashboard - Github](#) **2019 – 2019**

- A responsive web app weather dashboard that displays current weather conditions and a 5-day forecast: City, Date, Icon image (visual representation of weather conditions), Temperature, Humidity, Wind speed & UV index.
- Tools used: HTML5, CSS, Bootstrap (v4.3), JavaScript, jQuery, Openweather API
